

Department of Mathematical Sciences 2320 North Kenmore Avenue Chicago, Illinois 60614-3250 773/325-7806 FAX: 773/325-7807

## **Availability for Partial Tuition Waivers and Stipends**

A limited number of stipends and tuition waivers are available for incoming and currently enrolled students in the program. To be eligible students must be taking 2 classes per quarter and have recommendations from at least two professors. A personal statement of career goals and ambitions should also be included. The application form is below. Students will be notified of the department's decision. All applications and letters of recommendation can be sent by mail or electronically to Carole Bernett, Interim Director.

## **Application for Partial Tuition Waivers/Stipends**

**NOTE:** You must be planning to enroll in 2 courses per quarter to receive this assistantship. A personal statement of career goals and ambitions should be included with your application. Recommendations can be sent electronically or by mail to the interim director, Dr. Carole Bernett, cbernet1@depaul.edu.

The following must be sent to Carole Bernett by the deadline in order for your application to be considered complete.

- (1) Complete this application for and return it to: Carole Bernett, Interim Director of the Graduate Program in Applied Mathematics and Applied Statistics, Department of Mathematical Sciences, DePaul University, 2320 N. Kenmore Ave. Chicago, IL 60614. Applications and references can also be sent electronically to Carole Bernett at <a href="mailto:cbernet1@depaul.edu">cbernet1@depaul.edu</a>
- (2) Have at least two of your professors write a letter of recommendation regarding you ability to pursue graduate work in Applied Statistics or Applied Mathematics and other relevant information.
- (3) Include a short cover letter describing yourself and goals at DePaul and future career in statistics or actuarial science. Indicate if you participated in any type of research activities such as STATCOM during your time at DePaul.
